WHEREAS, Section 1.3(b)(7) of the Charter of the City of Hiram authorizes the City Council to establish procedures for determining and proclaiming that an emergency situation exists within or without the city, and to make and carry out all reasonable provisions deemed necessary to deal with or meet such an emergency for the protection, safety, health or well-being of the citizens of the City, provided that such provisions shall not impede the rights related to lawfully possessed firearms; and

NOW, THEREFORE, IT IS HEREBY DECLARED that a local state of emergency exists within the City and shall continue until the conditions requiring this declaration are abated.

THEREFORE, IT IS ORDERED AND ORDAINED BY THE AUTHORITY OF THE CITY COUNCIL OF THE CITY OF HIRAM AS FOLLOWS:

Section 3. Persons Showing Symptoms

Any person showing symptoms recognized by the CDC as indicators of COVID-19 shall refrain from entering public buildings, restaurants, shops, public transportation facilities and all other areas where the public may be present. Such person should seek medical attention and follow the directions of their medical professional until given the clearance to return to public interaction.

Section 4. City Parks

All City Parks are hereby closed as a result of this emergency. City Parks will reopen upon the earlier of 1) the termination of this emergency declaration, 2) a decision of the City Council to reopen the parks, or 3) upon order of the City Manager.

Section 5. Utility Services

For the duration of the declared emergency, the City will not disconnect any public utility service provided by the City on account of non-payment. After the conclusion of the declared emergency, persons will have a period of fifteen (15) days to make such payments before service may be disconnected.

Section 6. Classification of City Services

For the duration of the declared emergency, the City Manager shall be vested with the following discretion and authority, to wit:

- (b) To assign specific employees to required or discretionary services, and to periodically review and modify such assignments.
- (c) To use his or her discretion to permit employees to telework.

- (d) To temporarily suspend the provision of discretionary services and to direct employees who provide discretionary services not to report to work until such time as the service suspension is lifted or until such time as the City Manager redirects the employee to other services.
- (e) To contract for and expend non-budgeted sums and services, as may in his or her discretion be required to meet the demands upon government and services of the City for the duration of the declared emergency, including therein authority to spend such sums from the reserves of the City in an amount not to exceed \$10,000.00 for a single expenditure. Any such non-budgeted expenditures shall be reported to the City Council.
- (f) To maintain, to the best of the ability of the resources of the City, the provision of essential services, which shall include, but not be limited to, public safety, public works, healthcare, and permits.

Section 7. Tolling of Deadlines

Any deadlines for the purchasing or obtaining by persons or businesses of occupation tax certificates, permits or similar civil approvals mandated by the City Code shall be tolled for the duration of the emergency as established herein, and for 15 days thereafter. Such persons or businesses shall obtain necessary permissions required by law but deadlines set by the City Code are tolled for the duration of the emergency as established herein, and for 15 days thereafter.

Section 11. Gatherings

Section 12. Procurement

The governing authority hereby suspends the bid and competitive portions of the City’s Procurement Policy or ordinances and authorize the City Manager to utilize the single-source policy and to require departments to provide a written justification for the procurement during the effective dates of this Emergency and/or utilize any emergency procurement provisions contained.
